Looking for Daily Motivation?

- There are **78 stairs** in both of the stairwells.
- If you climb **5 “sets”** a working day, you will have climbed **390 steps up**, not including routine climbing.

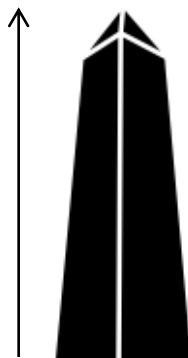

But you have 24 Working Days!!

- There are **24 working days** in March.
- Climbing each working day of the month gives you **120 “sets”** at 78 steps a set... **9,360 steps up**.

What does 9,360 Steps up Equal???

Statue of Liberty
